**Patient Liability**

**As a service to our patients, our practice accepts most dental insurance programs, including non-managed care, indemnity (traditional) and PPO out-of network. We are contracted with several insurances, please check with us to see if your insurance is in network. Our accounting staff will prepare all the necessary forms for your dental benefits. However, we remind you that your specific policy is an agreement between you and your insurance company .Please keep in mind that you are responsible for your total obligation should your insurance benefits result in less coverage than anticipated. Our staff will gladly submit a pre-treatment estimate to your insurance company so that you will know what your benefits will be.**

**The fee charged for services rendered to those who are insured are the usual and customary fees charged to all our patients for similar services. Your policy may base its allowances on a fixed fee schedule, which may or may not coincide with our usual fees. You should be aware that different insurance companies vary greatly in the types of coverage available. Also, some companies take care of claims promptly while others delay payment for several months.**

**If for any reason your account goes to collections you will be responsible for the balance of your account and any fees associated with processing collection procedures.**
